SIGNATURE SPEAKING THEMES

When Faith Encounters Difficult Scripture

How do we wrestle honestly with troubling biblical passages without abandoning faith, compassion, or intellectual integrity?

Leadership, Power, and Public Ethics

What do biblical texts reveal about justice, responsibility, leadership, and the ethical use of power in times of social tension and uncertainty?

Wisdom, Suffering, and the Search for Meaning

A reflective exploration of biblical wisdom literature, grief, resilience, and spiritual meaning beyond simplistic answers.

Story, Memory, and Moral Imagination

How sacred stories shape identity, ethics, belonging, and the way communities understand themselves and the world around them.

Creation, Chaos, and Human Responsibility

Exploring Genesis, creation imagery, and humanity's ethical relationship to the world, one another, and the divine.

Women, Agency, and Voice in the Bible

Rereading biblical stories through questions of power, responsibility, gender, leadership, and moral complexity.
